

H.O.P.E. Village Community Shelter

Location:

Norfolk, VA

Owner/Client:

The Salvation Army
Tidewater Command
Norfolk, VA

Construction Cost:

\$1,350,000.00

Projected Completion Date:

2009

ABC Consulting, Inc. had the pleasure of providing construction management services to The Salvation Army, Tidewater Command for the Homeless Outreach for Personal Empowerment Village (H.O.P.E). This shelter provides for woman and children in need of basic emergency shelter and care, child-parent and family resources, education and referral. This is a residential style community shelter program benefits low and moderate-income women and children.

The project consists of installing utilities, enlargement of BMP, site work and ground up construction of 12 homes and a park. It will become a neighborhood focusing on renewal.
