

New Seasons Clinical Services

Location:
Hampton, VA

Owner:
New Season Clinical Services,
LLC
809 Main Street Suite 100
Newport News, Virginia 23605

Cost:
\$155,000.00

Projected Completion Date:
2009

Starting from a 3,100 SF shell, ABC Consulting, Inc. converted the space into a Class A office building. Several areas had 8' dropped ceilings; following the initial investigation we were able to raise all the ceiling to approximately 9'6" creating more volume for the space. ABC Consulting, Inc. was able to react to the owner's changes and needs providing them with a final product that fit their vision. The renovation included installing a large window provided by the owner into a brick wall and converting a steel vault into a filing room. The project was completed in 60 days. Ultimately the owners got exactly what they wanted and stayed within their budget.
