Virginia Beach, VA

Owner's Representative:
Continental Management Associates
361 Southport Circle
Suite 102
Virginia Beach, Virginia
23452

ABC Consulting, Inc. performed a structural investigation, generated the report and the recommendations needed for the structural repairs of the concrete walkways and steel stairs. ABC Consulting, Inc. also provided a maintenance plan that would be set in place by the management company in order to keep repair costs to a minimum in years to come.

Cost:

\$72,000.00

Projected Completion

Date:

2010
