Cavalier Land, Inc.
234 Bute Street
Norfolk, Virginia 23510

Cost:
\$22,000.00

Projected Completion Date:
2009

The owners had continuous problems with the exterior steel stairs and concrete landing. ABC Consulting, Inc. designed a new set of stairs, coated with a special marine epoxy paint to withstand the weather element. The stairs were taken down and replaced over a long weekend. On Monday morning, the employees were able to access their offices through two brand new sets of stairs.
